

K. J. International

<http://kjinternational.in/>

We are Manufacturer, Exporter, Trader, of Testing & Surveying Instruments. Moreover, we offer Tensile Testing Machine, Compression Testing Machine, Earth Quake Testing Equipment, Manhole Cover Testing Machine, etc.

About Us

"K.J. International" is Ahmedabad, Gujarat, based an "ISO 9001-2015" company is in business of Manufacturing and supplying of all major Testing equipments, for Concrete, Soil, N.D.T., Laboratory, Surveying, Plastics, Geotextiles, Safety, Steel Materials etc. Since 1999. We are serving our products in all over India as well as abroad. We are having wide experience in this field of over 20 years. We also manufactures specific Customized Testing Instruments as per application and requirements by the customers

TENSILE TESTING MACHINE

Our Product Range

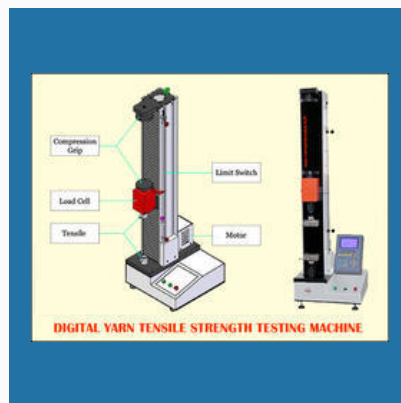

Double Pillar Tensile Testing Machine Cap - 5000 Kgf

Single Pillar Tensile Testing Machine/Wire Testing Machine/Rope testing

Double Pillar Tensile Testing Machine

Fabrics Tensile Strength Testing Machine -50 KN

COMPRESSION TESTING MACHINE

Our Product Range

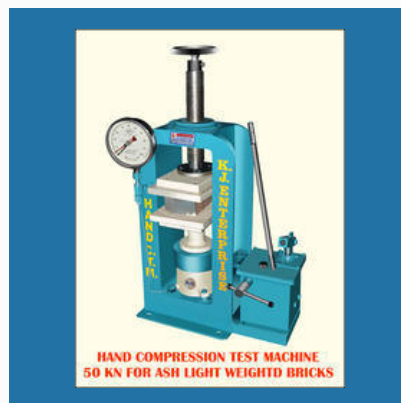

Automatic Compression Testing Machine - Rang 0-3000kn

Computerize Compression Testing Machine

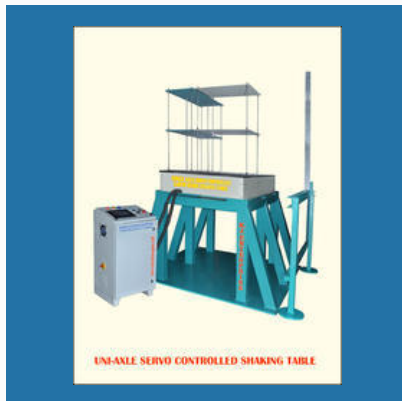

Fully Automatic Compression Testing Machine - 2000 Kn

Hand Operated Concrete Testing Machine 500 Kn

EARTH QUAKE TESTING EQUIPMENT

Our Product Range

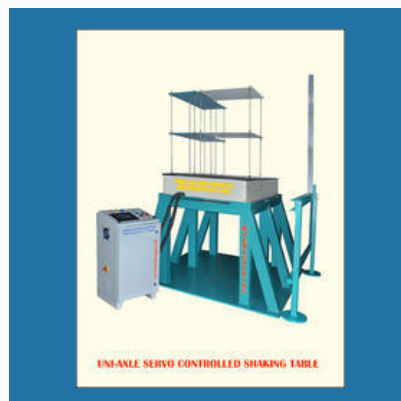

Horizontal Shake Table

Single Axle Shake Table

Mode Shape Model - Earth
Quake Testing

Uni Axle Shake Table

TESTING EQUIPMENTS

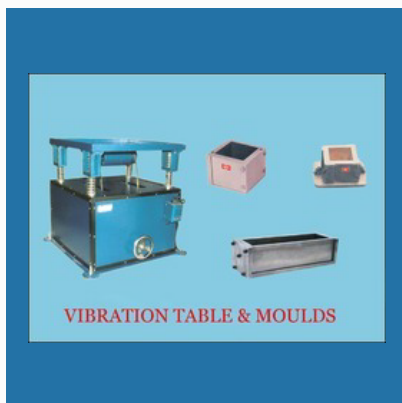

Our Product Range

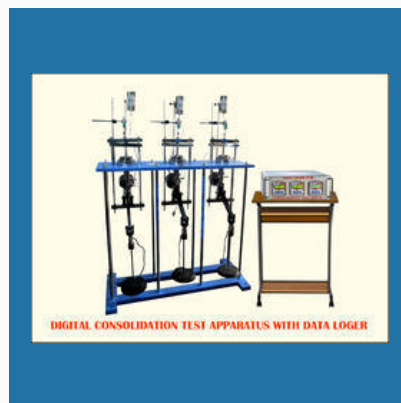

Flexural Testing Machine -100 KN

Digital Flexural Testing Machine 500KG for MOR Testing

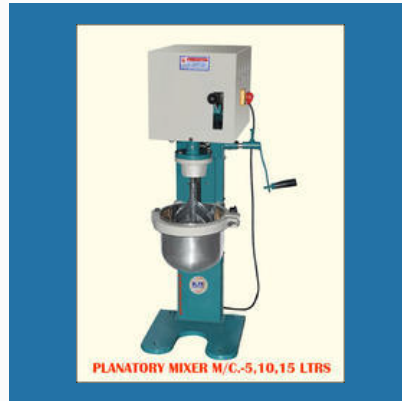

Concrete Table Vibrator

Digital Consolidation Test Apparatus with Data Logger

Digitally Control Table Vibrator

Planetary Mixer

Planetary Mixer

Vibration Machine

TILE TESTING EQUIPMENTS

Our Product Range

Tiles Flexural Testing Machine

Tile Testing Machine

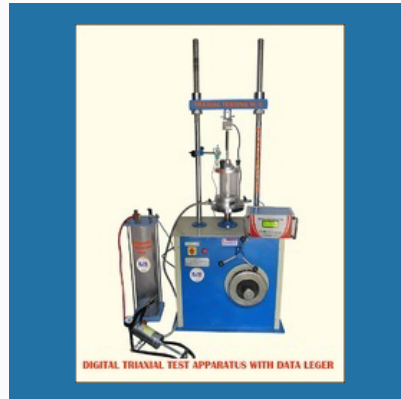

Tile Abrasion Testing Machine

SOIL TESTING EQUIPMENTS

Our Product Range

CBR Machine 50 Kn

Digital Triaxial Test Apparatus
with Data Logger

Hydraulic Soil Extractor

Laboratory Vane Shear

LABORATORY EQUIPMENTS

Our Product Range

Digital Water Bath

Laboratory Tray Dryer

Muffle Furnace -9"x4"x4"

Digital Viscosity Bath

SURVEYING INSTRUMENTS

Our Product Range

Surveying Instruments Total
Station

Digital Theodolite

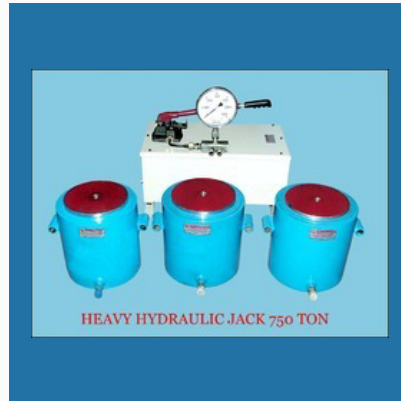

Automatic Level Instrument -
Sokkia, Topcon

HYDRAULIC JACKS, CYLINDER & POWER PACK

Our Product Range

Hydraulic Jack

Hydraulic Jack 750TON

Hydraulic Jack with Pump - 30
Tones

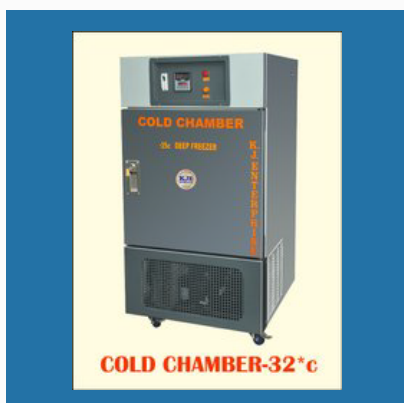

Pull Out Test Jack Cap. 50
Ton

Hot Air Oven

High Temperature Furnace

Cold Chamber

Tray Dryer Big Size

LOAD INDICATOR

Our Product Range

Digital Peak Load Indicator

Universal Indicator Cum DETA
Logger

Round Load Cell with Indicator
Up To - 2000 KN

Big Display Coloured Load
Indicator

OTHER PRODUCTS:

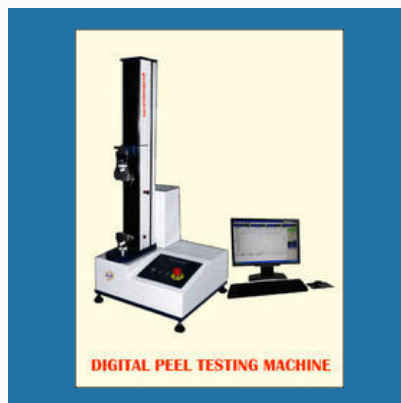

Horizontal Tensile Testing
Machine CAPACITY UP TO
200 TON

Wire Rope Strength Testing
Machine

UNIVERSAL WIRE STRESS
RELAXATION TESTING
MACHINE 10000 KGS (10
TONES

Digital Peel Strength Tester

OTHER PRODUCTS:

SBT Test of Concrete
Sleepers - 500kn

Digital Concrete Testing
Machine 2000KN Plate Type

UTM/ Tensile/ MOR/ S hear
Test/ Bonding/ Tile Testing
Machine

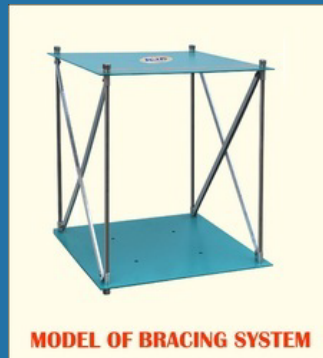

Digital Universal Testing
Machine

OTHER PRODUCTS:

Pipe Hydro-Testing Machine
(PHTM)

Model Of Bracing System

Manhole Cover Testing
Machine

Circular Manhole Cover
Testing Machine

OTHER PRODUCTS:

Digital Cube Testing Machine
2000KN

Pan Type Concrete Mixer
Machine

Soil Permeability Test
Apparatus

Humidity Chamber -90LTR

OTHER PRODUCTS:

Double Acting Pumping Unit

Plate Load Equipment

Hot Air Oven for Sterilization

Building Materials, Tools And Equipment

F a c t s h e e t

Year of Establishment : 1999

Nature of Business : Manufacturer

Total Number of Employees : Upto 10 People
