

K. J. Enterprise

<https://www.kjenterpriseindia.com/>

We are Manufacturer, Exporter, Trader, of Testing & Surveying Instruments. Moreover, we offer Tensile Testing Machine, Compression Testing Machine, Earth Quake Testing Equipment, Manhole Cover Testing Machine, etc.

About Us

We are leader in industry engaged in manufacturing, exporting and trading to our clients with our best efforts and high class Testing & Surveying Instruments, here in Gujarat and Rajasthan. Incorporated in the year **1999**, "**K J Enterprise**", an **ISO-9001-2008** is in business of Testing & Surveying Instruments. Our offered products are Tensile Testing Machine, Compression Testing Machine, Earth Quake Testing Equipment, Manhole Cover Testing Machine, Civil Lab & Concrete Lab Equipments, Soil Testing Equipments, etc. We make stringent efforts to serve our clients better each time and establish new business relationships based on the values of trust and ethical dealings.

We are one of the leading services provider in Gujarat and Rajasthan since 1999. We are having our own manufacturing unit and maintaining accuracy and quality in our products. We have expert and experienced team to provide excellent product and services. We are continuously developing of our products by accepting new technologies and concepts with R & D. We are also manufacturing specific testing instruments as per customers application and requirement. **We are exporting in South Africa, Pakistan and Sri Lanka.**

We are continuously performing in global market under supervision of "**Jagannath V. Miskin**". We provide one of the best after sales service and calibration. We can provide On site calibrations according to the relevant...

TENSILE TESTING MACHINE

Our Product Range

Digital Peel Strength Tester

Grip For Tensile Test

Single Piller Tensile Testing Machine/Wire Testing Machine/Rope testing

Geotextile Testing Instruments

COMPRESSION TESTING MACHINE

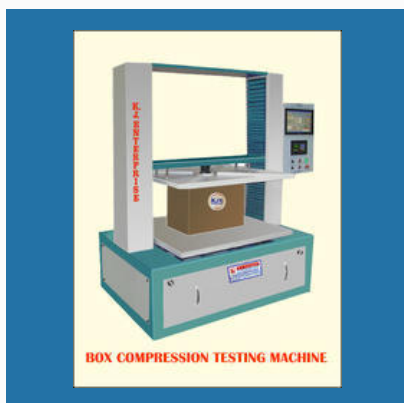

Our Product Range

Computerize Compression Testing Machine

Fully Automatic Compression Testing Machine - 2000 Kn

BOX COMPRESSION TESTER

Automatic Compression Testing Machine - Rang 0-3000kn

UNIVERSAL TESTING MACHINE

Our Product Range

Digital Universal Testing Machine

UTM/ Tensile/ MOR/ Shear Test/ Bonding/ Tile Testing Machine

UTM/ Tensile/ MOR/ Shear Test/ Bonding/ Tile Testing Machine

EARTH QUAKE TESTING EQUIPMENT

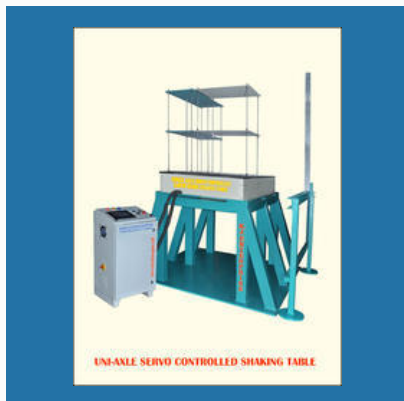

Our Product Range

Horizontal Shake Table

Single Axle Shake Table

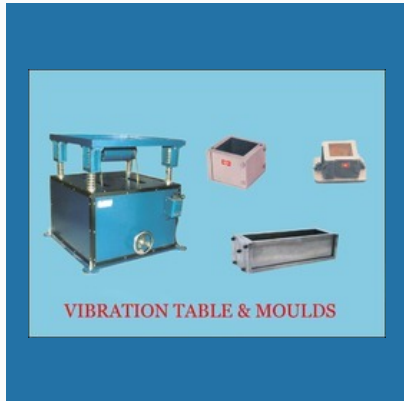

Uni Axle Shake Table

Model Of Bracing System

TESTING EQUIPMENTS

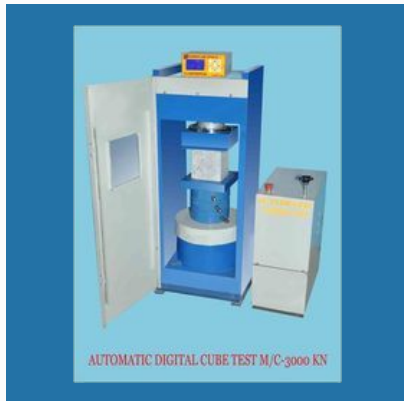

Our Product Range

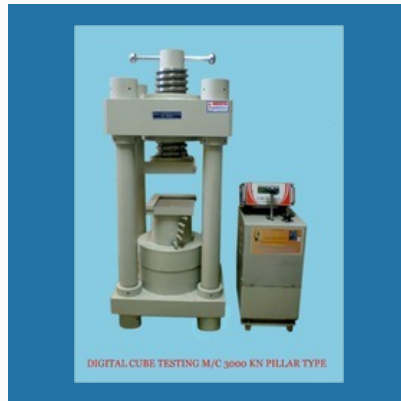

Concrete Table Vibrator

Digital Consolidation Test Apparatus with Data Logger

Digital Cube Testing Machine
2000KN

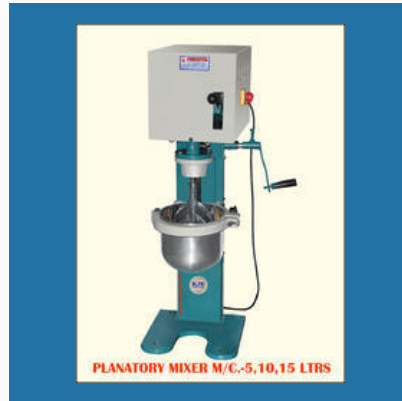

Digital Four Pillar Cube
Testing Machine 3000 KN

CIVIL LAB & CONCRETE LAB EQUIPMENTS

Our Product Range

Digitally Control Table Vibrator

Planetary Mixer

Planetary Mixer

Vibration Machine

TILE TESTING EQUIPMENTS

Our Product Range

Tiles Flexural Testing Machine

Tile Testing Machine

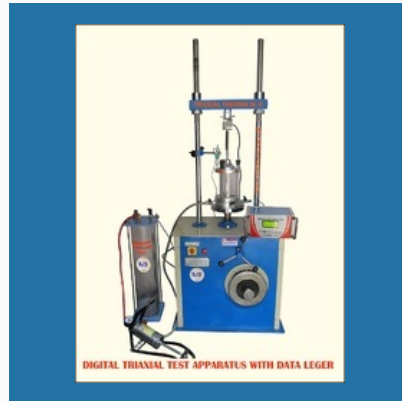

Tile Abrasion Testing Machine

SOIL TESTING EQUIPMENTS

Our Product Range

CBR Machine 50 Kn

Digital Triaxial Test Apparatus
with Data Logger

Hydraulic Soil Extractor

Laboratory Vane Shear

LABORATORY EQUIPMENTS

Our Product Range

Digital Water Bath

Laboratory Tray Dryer

Muffle Furnace -9"x4"x4"

Digital Viscosity Bath

SURVEYING INSTRUMENTS

Our Product Range

Surveying Instruments Total Station

Digital Theodolite

Automatic Level Instrument -
Sokkia, Topcon

HYDRAULIC JACKS, CYLINDER & POWER PACK

Our Product Range

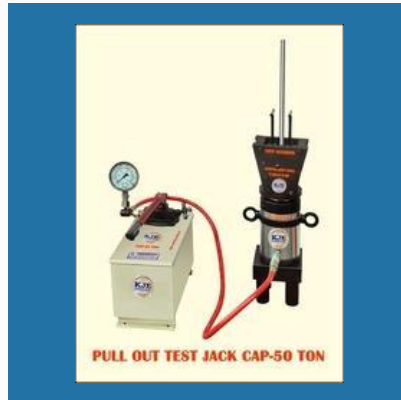

Hydraulic Jack

Hydraulic Jack 750TON

Hydraulic Jack with Pump - 30
Tones

Pull Out Test Jack Cap. 50
Ton

SCINTIFIC INSTRUMENTS

Our Product Range

High Temperature Furnace

Cold Chamber

Tray Dryer Big Size

Hot Air Oven

LOAD INDICATOR

Our Product Range

Digital Peak Load Indicator

Universal Indicator Cum DETA
Logger

Round Load Cell with Indicator
Up To - 2000 KN

Big Display Coloured Load
Indicator

OTHER PRODUCTS:

Our Product Range

Horizontal Tensile Testing Machine CAPACITY UP TO 200 TON

Wire Rope Strength Testing Machine

Double Pillar Tensile Testing Machine

SBT Test of Concrete Sleepers - 500kn

OTHER PRODUCTS:

Digital Concrete Testing Machine 2000KN Plate Type

Pipe Hydro-Testing Machine (PHTM)

Model for Pounding Effect

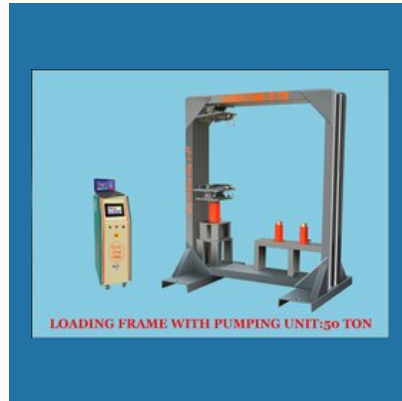

Circular Manhole Cover Testing Machine

OTHER PRODUCTS:

Manhole Cover Testing Machine

Loading Frame with Pumping Unit

Pan Type Concrete Mixer Machine

Soil Permeability Test Apparatus

OTHER PRODUCTS:

Humidity Chamber -90LTR

Double Acting Pumping Unit

Plate Load Equipment

Hot Air Oven for Sterilization

Factsheet

Year of Establishment : 1999

Nature of Business : Manufacturer

Total Number of Employees : Upto 10 People
